Hi John, I think it would makes sense to have this controlled to OAR/OAQPS given who sent the letter and that it is to the Administrator. If you all want to make sure that happens we have no objection and will coordinate closely with you all on the response. Thanks, Anna

Subject: FW: letter to EPA from WI Congressman regarding Sheboygan ozone designations

Hello Everyone,

Region 5 obtained a copy of the attached letter from Sen. Johnson and Rep. Grothman in Wisconsin. We were alerted to the letter after receiving approximately a dozen phone calls from concerned citizens who do not agree with the recommendation from their congressmen. I understand that the letter is now being controlled for response and the DC folks are asking whether it should be controlled to us here or to you guys. I don't know if you have a preference. I guess it is with OCIR right now. Regardless, we are happy to coordinate a response with your office.

Let me know your thoughts and we can go from there.

John
